

0711038-1 - PIN, STRAIGHT, HEADLESS, NEW SURPLUS, SOLD PER EACH,
NSN: 5315-01-597-8248, NIIN: 15978248

Description

0711038-1 - PIN, STRAIGHT, HEADLESS

NSN: 5315-01-597-8248, NIIN: 15978248

New Surplus, Sold Per Each

A straight pin is a cylindrical, unthreaded fastener typically used to align, join, or secure two or more components in mechanical assemblies. It is characterized by its simple, straight design with uniform diameter along its length and often features chamfered ends to facilitate easy insertion.

Specifications

Product information is currently unavailable for this item at this time.

We understand that finding accurate and readily available information for aviation parts can often be a frustrating and time-consuming process. Our goal is to simplify this search and make aviation part data more accessible to everyone. If you have specifications or insights for this product that could benefit the wider community, we would greatly appreciate you sharing them by sending an email to

Sales@avboxus.com.

Your collaboration in building a more informed industry is highly valued.

Part Number Info

Part Number: 0711038-1

Unpunctuated: 07110381

NSN: 5315-01-597-8248

NIIN: 15978248

Accompanying Documents

AVBOX US Certificate of Conformance: This product comes with an AVBOX US Certificate of Conformance (CoC), assuring that the part(s) meet specified design, quality, and regulatory standards at the time of manufacture, providing confirmation of compliance and adherence to applicable aviation requirements.

Condition and Unit of Sale

New Surplus: These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

Sold Per Each: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

Alternate Part Numbers: *Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*
