

10-129018-1S - CIRCULAR CONNECTOR

Description

10-129018-1S - CIRCULAR CONNECTOR

New Surplus, Sold Per Each,

A circular connector is a cylindrical, multi-pin electrical connector designed for secure, reliable connections in industrial, military, and aerospace applications. It offers durability, easy mating, and resistance to dust, moisture, and vibration.

Part Number Information

Part Number: 10-129018-1S

Unpunctuated: 101290181S

Condition: New Surplus - *These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.*

Unit of Sale: Sold Per Each - *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*
