Bell 204 Helicopter

This part is used on Bell 204 Helicopters, the original "Huey" that redefined helicopter utility and performance. Known for its ruggedness and reliability, the Bell 204 became an indispensable tool for troop transport, medevac, and supply missions during the Vietnam War, earning a legendary status among pilots and ground forces. **What Sets the Bell 204 Apart:**

- **Military Pedigree:** Designed specifically for combat support, with features that ensure performance in harsh environments.
- **Multi-Role Capability:** Easily adapted for medevac, cargo transport, and even armed gunship configurations.
- **Proven in Combat:** Its robust design and powerful engine made it a reliable asset in the most challenging conditions.
- **Quick Deployment:** Capable of carrying troops and equipment rapidly to and from the battlefield.

The Bell 204's ability to deliver in critical situations has made it an icon of military aviation and a precursor to many modern helicopter designs.

Condition and Unit of Sale

REPAIRABLE: This item is in repairable condition, meaning it is currently non-functional or has minor defects, but it can be restored to full working order with proper repairs. The product has the potential to be fully operational after maintenance or refurbishment. It is ideal for those who have the skills, tools, or resources to perform the necessary repairs, making it a cost-effective solution compared to purchasing a new item.

SOLD PER EACH: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
