Bell 205 Helicopter

This part is used on Bell 205 Helicopters, an upgraded version of the legendary Huey that brought even greater power and capacity to the battlefield. The Bell 205 was a vital asset during the Vietnam War, transporting troops, equipment, and medical personnel to the front lines. **Key Features of the Bell 205:**

- **Enhanced Lifting Capability:** With a larger cabin and more powerful engine, it can carry heavier payloads over longer distances.
- **Versatile Configurations:** Used for firefighting, law enforcement, and search and rescue, thanks to its adaptable interior.
- **Superior Stability:** Its larger size and improved avionics provide a smoother, more stable flight experience.
- **Durability:** Built to withstand extreme conditions, making it a favorite for rugged terrain operations.

From the jungles of Vietnam to remote mountain ranges, the Bell 205 has proven its worth as a reliable and adaptable helicopter for a wide range of missions.

PURCHASE AND SHIPPING DETAILS

NEW SURPLUS: These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

SOLD PER EACH: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
