Bell 206 Helicopter

This part is used on Bell 206 Helicopters, a legendary light utility model that has become synonymous with reliability and efficiency. Often referred to as the JetRanger, the Bell 206 has served in a variety of roles, from executive transport to aerial news coverage, showcasing its versatility and ease of handling. **What Makes the Bell 206 Stand Out:**

- **Economical Operation:** Low operating costs and high fuel efficiency make it ideal for both private and commercial use.
- **Unmatched Visibility:** Large windows provide excellent views, perfect for tours and photography.
- **Smooth Handling:** Renowned for its easy-to-fly characteristics, making it a favorite among pilots.
- **Widespread Use:** Adopted by law enforcement, EMS, and corporate sectors around the world.

The Bell 206 remains one of the most popular and trusted helicopters, known for its sleek design and dependable performance.

Condition and Unit of Sale

NEW SURPLUS: These parts are classified as new and unused, meaning they have not been installed

or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

SOLD IN BULK - PRICED BY WEIGHT: This item is sold in bulk and priced by weight. The total price will be determined based on the weight of the item at the time of purchase. This is ideal for projects that require flexibility in quantity. Please refer to the product details for specific weight and pricing information.
