## Bell 209 Helicopter

This part is used on Bell 209 Helicopters, also known as the AH-1 Cobra, the first dedicated attack helicopter. The Cobra changed the face of modern warfare, providing unparalleled close air support and anti-armor capabilities during the Vietnam War. **Key Attributes of the Bell 209 (AH-1 Cobra):**

- **Streamlined Profile:** Designed for speed and agility, allowing it to engage targets quickly and effectively.
- **Heavy Armament:** Equipped with rockets, cannons, and guided missiles, making it a formidable opponent in combat.
- **Two-Pilot Configuration:** Improved coordination and operational efficiency during complex missions.
- **Combat Proven:** Played a critical role in Vietnam, providing protection and fire support to ground forces.

The Bell 209's legacy as a pioneering attack helicopter continues to influence the design of modern military rotorcraft.

**NEW SURPLUS:** These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

**SOLD PER EACH:** This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
