Condition and Unit of Sale

UNSERVICEABLE: These parts are currently not functional and cannot be used without repair. They have been removed from service due to a failure or degradation of their components. Customers purchasing unserviceable parts may plan to repair, refurbish, or cannibalize them for spare components. These parts are typically sold "as is," without warranty, making them a potential cost-saving option for those who have the capability to restore them to working condition.

SOLD PER EACH: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
