

3024439 - COVER, OIL PRESSURE, OVERHAULED, SOLD PER EACH, NSN: 2840-01-029-5266, NIIN: 10295266

Description

3024439 - COVER, OIL PRESSURE

NSN: 2840-01-029-5266, NIIN: 10295266

Overhauled, Sold Per Each

A cover is a protective component designed to enclose, shield, or safeguard an opening, mechanism, or assembly from external elements such as dust, debris, moisture, or mechanical damage. It can be fixed or removable and is commonly used in aerospace, automotive, and industrial applications.

Specifications

Style: Hexagon Shape

Width Across Flats: 0.490" Min - 0.510 Max Nomlnal

Additional Information: For use on T400CP-400G engine

Part Number Info

Part Number: 3024439

Unpunctuated: 3024439

NSN: 2840-01-029-5266

NIIN: 10295266

Overhauled: Parts in this condition have undergone a thorough overhaul process, restoring them to like-new condition. Overhauling includes disassembly, inspection, and replacement of any worn components to meet manufacturer or industry standards. After the overhaul, these parts are tested and certified, making them ready for use in demanding applications. Overhauled parts offer a balance between cost savings and the reliability of a part that has been restored to peak performance.

Sold Per Each: This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

Alternate Part Numbers: Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.
