

AN320D4 - NUT, PLAIN, SLOTTED, HEXAGON, NSN: 5310-00-176-8100, NIIN: 1768100

Description

AN320D4 - NUT, PLAIN, SLOTTED, HEXAGON

NSN: 5310-00-176-8100, NIIN: 1768100

New Surplus, Sold Per Each

Specifications

Nut Style: Slotted, Hexagon

Bearing Surface Type: Chamfered Or Faced- *Washer*

Surface Finish: 125.0 Microinches (*Bearing*)

Surface Treatment: Anodize

Material: Aluminum Alloy

Countersink Angle: 110.0° *nom - Nut*

Nut Height: 0.188" *nom*

Width Across Flats: 0.428" *min - 0.440" max*

Thread Class: 3B

Thread Direction: Right-Hand

Thread Quantity Per Inch: 28

Thread Series: Unf

Thread Size: 0.250"

Part Number: AN320D4

Unpunctuated: AN320D4

NSN: 5310-00-176-8100

NIIN: 1768100

Potential Alternates: 2578885, FFN836

AN standards, originally developed by the U.S. Army and Navy, cover a variety of components such as bolts, nuts, and fittings, ensuring compatibility and reliability in military and aerospace systems.

New Surplus: *These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.*

Sold Per Each: *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.*

Alternate Part Numbers: *Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*
