

AN929-4W - CAP, TUBE, NSN: 4730-01-187-6955, NIIN: 11876955

Description

AN929-4W - CAP, TUBE

NSN: 4730-01-187-6955, NIIN: 11876955

New Surplus, Sold Per Each

Tube caps are protective fittings used to seal the ends of tubes, preventing contamination, leakage, or damage during storage, transport, or system shutdown. They provide a secure closure for fluid, gas, or structural tubing in hydraulic, pneumatic, and industrial applications.

Specifications

Connection Style: Pressure Seal Flared

Style/Shape: Cap, Tube, Flared

Surface Treatment: Anodize

Material: Aluminum Alloy

Seat Angle: 37.0°

Tube Outer Diameter: 0.250" *nom*

Thread Class: 3B Internal

Thread Direction: Right-Hand Internal

Thread Series Designator: Unjf Internal

Thread Size: 0.437" Internal

Part Number: AN929-4W

Unpunctuated: AN9294W

NSN: 4730-01-187-6955

NIIN: 11876955

Potential Alternates: 10108325, AS4841, MIL-F-5509, SAE-AS4841

AN standards, originally developed by the U.S. Army and Navy, cover a variety of components such as bolts, nuts, and fittings, ensuring compatibility and reliability in military and aerospace systems.

New Surplus: *These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.*

Sold Per Each: *This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.*

Product Testing: *Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.*

Alternate Part Numbers: *Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.*
