Fastener Length: 0.490" Min - 0.510" Max

Head Height: 0.040" Nom

Head Major Diameter: 0.178" Min - 0.196" Max

Shank Diameter: 0.094" Nom

Part Number Info

Part Number: MS20470AD3-8

Unpunctuated: MS20470AD38

NSN: 5320-00-808-7822

NIIN: 8087822

Potential Alternates: MS20470AD3-8A

New Surplus: These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

Product Testing: Every product is inspected for accuracy, quality, and functionality before shipping to meet our high standards.

Alternate Part Numbers: Due to the nature of ever-evolving part numbering structure, multiple part numbers may meet the same specifications and performance standards. If only an alternate part number is available, we will contact you to confirm compatibility. We strongly recommend consulting the appropriate repair manuals to ensure accuracy before using an alternate part.
