

MS24694-S52 - Screw

## **Description**

# MS24694-S52 - SCREW

Condition: New Surplus Unit of Sale: Sold Per Each

### PART NUMBER INFORMATION

Unpunctuated: MS24694S52

#### **MS STANDARD**

MS STANDARD (Military Standard) components are engineered to meet the rigorous requirements of military and aerospace applications, ensuring exceptional reliability and performance under demanding conditions. Crafted from high-quality materials like corrosion-resistant steel and anodized aluminum alloys, MS components are designed to withstand extreme environments such as high temperatures and corrosive conditions. Each MS part guarantees compliance with strict standards and is identified by its specific part number. Refer to specification sheets for details.

#### HISTORY

**MS STANDARDS** were developed in the mid-20th century by the U.S. Department of Defense to streamline parts procurement for military systems. By creating these standards, the military ensured that parts could be reliably interchanged across various platforms, improving supply chain efficiency and reducing maintenance complexity.

#### **PURCHASE AND SHIPPING DETAILS**

**NEW SURPLUS:** These parts are classified as new and unused, meaning they have not been installed or placed into service. However, they come without traceability or original manufacturer certifications, which might be required for certain high-level regulatory uses. Our company provides its own Certificate of Conformance (CoC) as a statement of assurance that the parts are in good working condition and have been sourced from reliable channels. These are ideal when the focus is on cost-effectiveness without compromising on quality.

**SOLD PER EACH:** This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.

**Shipping Locations:** Domestic (International Shipping is Paused until Further Notice)

Carrier Options: UPS, USPS

**Using Your Own Shipping Account or Purchase Order Number:** If you would like to use your own shipping account, or if you have a Purchase Order number, please email us at <a href="mailto:Sales@AVBOXUS.com">Sales@AVBOXUS.com</a>

Note: Orders using a provided shipping account may have up to a 48-hour delay in shipping.

Payment Options: Credit Card, Net 30, Cash if picking up Local

**Tax Exempt:** Please mail your tax exempt forms to <a href="mailto:Accounting@AVBOXUS.com">Accounting@AVBOXUS.com</a> when placing your order.

**Product Inspection:** We inspect all products for functionality and condition before shipping to ensure you receive high-quality items. While our new surplus items may occasionally feature alternate part numbers, we ensure that these alternates meet the same specifications and performance standards as the original part. If only an alternate part number is available, we will contact you prior to shipping to confirm that it meets your requirements. Please note that the specifications on our site are sourced from multiple references. We recommend verifying the correct part number with your repair manuals to ensure accurate ordering. If you have any concerns about product specifics, feel free to contact us for more details.

**Returns:** We do not offer returns in most cases. However, if you have an issue with your order, please email Sales@AVBOXUS.com for assistance.

**Damaged Orders:** If your order is damaged upon arrival, please email <u>Sales@AVBOXUS.com</u> or call us at 850-466-3191 to report the issue.

**Local Pickup:** For local pickup, email us at <u>Sales@AVBOXUS.com</u> to arrange your order or call 850-466-3191.

**Order Processing:** Orders are processed within 24 hours. We cutoff shipments at 3:30 PM daily. Orders made after 5:30 on Fridays and on the weekend will be processed the following Monday.

Hours of Operation: Monday to Friday, 8 AM to 5 PM.
