Condition and Unit of Sale

RENTAL TOOL - NOT FOR SALE: This item is available for rental only and is not for purchase. It is part of our specialized rental tool inventory, designed for temporary use. The tool has been professionally maintained and inspected to ensure optimal performance. Each rental tool undergoes regular servicing to meet high operational standards and is ready for immediate use in your project.

SINGLE RENTAL: This is a single rental item available for temporary use. The item has been carefully maintained and inspected to ensure it meets all operational standards. Ideal for short-term projects, this rental tool offers a cost-effective solution without the need for a long-term investment. For proper usage, please refer to the spec sheets and repair manuals associated with this item. Contact us if you have questions about the rental Process, or to arrange a long term rental period.

Freight Required – Customer Must Arrange Shipping

This item requires freight shipping, which must be arranged and paid for by the customer. AVBOX

does not provide shipping services for this product. After your order is placed, AVBOX will email you the freight shipping dimensions. Please coordinate pickup with your preferred carrier.
