**REPAIRABLE:** This item is in repairable condition, meaning it is currently non-functional or has minor defects, but it can be restored to full working order with proper repairs. The product has the potential to be fully operational after maintenance or refurbishment. It is ideal for those who have the skills, tools, or resources to perform the necessary repairs, making it a cost-effective solution compared to purchasing a new item.

**SOLD PER EACH:** This item is sold individually, with the price listed for a single unit. Perfect for purchasing the exact quantity needed without the requirement to buy in bulk. For larger quantities, consider reviewing any available bulk pricing options.
